LADIES DRILLED WELL. Maccabees Entertained Large Company in Howland Hall.

Ladies of the Maccabees, Harmon review, No. 1, held their annual joint concert, drill and ball last evening at Howland hall under conditions that proved to be a very successful night's entertainment. The crowd was even larger than had been expected, as during the evening's entertainment fully 200 people assembled. Attractive decorations of the national colors draped the entire hall, and national flags were draped around the platform where the orchestra members were seated. From beginning to end it was a joyful merry-making party.

The first feature of the performance was a selection by Carroll's orchestra, which furnished music for the occasion, followed by a bugle call by Arthur Carroll for the assembly of the guards, who performed the military drills in a very

creditable manner, and showed the untiring work which Mrs. D. C. Roben, captain of the guards, has been putting into it during the past two and one-half weeks. Too much cannot be said of the efficiency of her work, and the 15 ladies in uniform drilled very well, indeed. The drill work was followed by a short program with a song by Miss Leona Lamb and was completed by seven little girls dressed in the national colors carrying small American flags marching to the tune of "The Star Spangled Banner," and singing the anthem as they marched around the hall. In the dining hall, a supper was served with a hearty menu in order, and many at intermission made the most of the opportunity to get something to eat.

The committee consisted of Commander Mrs. Mary McDonald, chairman of the supper committee; Miss Core Wilkins, chairman of the decorating committee; and Mrs. Susie Carroll, Mrs. Harley Garrity and Mrs. Annie Gerard, composing the general committee.
